

Enjoying the park with your pet

Responsible pet owners and their pets are welcome at Veterans Memorial Park. There are a few simple rules to ensure that you, your pet and other visitors will enjoy the park. These rules apply to all pets except service animals helping people with disabilities.

Keep your pet on a leash

Pets must be on a leash no longer than **8 feet at all times**.

Pets must be under control

Pets must be under control at all times. Pet owners are not allowed to let their pets interfere in any manner with other people's enjoyment of the park. Pet owners who fail to properly control a pet, or whose pet creates a public nuisance or other disturbance, may be asked to leave the park or may be issued citations. Leaving your pet **unattended for any period of time** is inconsiderate to other park users and exposes you to potential problems.

Loose pets may be seized

Loose pets may be seized and are subject to local laws pertaining to stray animals. Owners of loose pets may be ticketed. If your pet is lost, inform the Park Manager immediately call the local authorities to find the location of the nearest stray-holding facility.

Dispose of waste properly

Pet owners are responsible for proper removal and disposal of their pets' waste products. Waste should be disposed of in dumpsters or trash receptacles.

Areas off limits to pets

Pets are not allowed in the following places:

- **Buildings**
- **Playground areas**
- **Designated beach and swim area**

If you want to exercise your pet in the water, you can do so by the boat landing, opposite of the beach area.
